OUR SERVICES

Product Customization

SuperMom's is partnered with some of the top culinary professionals in the industry. We work with our customers on developing products that fit their brand and their customer, from on-the-go convenience to sit-down cafes and more.

Limited Time Offers (LTOs)

We understand the importance of keeping our customer's menu fresh and exciting. We continuously work with our customers on introducing new items for a limited time. Our production lines are fast with quick turnover capabilities.

Label Design

We can help you with your label design. Our in-house design specialist can work with you on your product's label design. We have a FDA and USDA regulatory specialist in-house who is dedicated to upholding our customer's high labeling standards and ensuring compliance with regulations to protect their brand.
